Certification of Student Eligibility to Attend Basic Training

(Pre-Training Form Part II)

Pursuant to KSA 74-5605, this form is designed to verify the intent of the employing agency regarding participation in First Aid/CPR and further the intent regarding carrying firearms off duty. The form must be on file prior to attendance in a basic training program at KLETC.

First Aid and CPR Training — Box 2

First Aid and CPR training are delivered as an optional evening class to all full-time basic training students attending the Kansas Law Enforcement Training Center (KLETC). Many students have been previously certified in First Aid and CPR. Requiring officers to attend these classes again would be redundant and an inefficient use of resources and classroom time. Please indicate below if you want your officer to attend the optional First Aid/CPR/AED evening classes while attending basic training at the Kansas Law Enforcement Training Center.

First Aid/CPR/AED Training Attendance Required (**Full-time Basic Training only**-check applicable box)

☐ Our officer will attend the optional First Aid/CPR/AED evening training programs at KLETC.

☐ First Aid/CPR/AED Training Will Be Provided at the Local Level (see note)

NOTE: First Aid and CPR are critical components of law enforcement basic training. If an agency elects not to have their officer attend either First Aid or CPR training at KLETC, the agency assumes the responsibility for ensuring their officer is adequately trained in this area.

Carrying Concealed Weapons Away from KLETC — Box 3

Kansas law allows law enforcement officers (except those designated as auxiliary or reserve officers) to carry concealed weapons during their off-duty time. A Kansas Attorney General's Opinion has interpreted Kansas' weapons law to allow officers to also carry off-duty weapons outside their jurisdiction, but stresses that those officers may exercise their powers as officers only within their jurisdiction.

The law draws no distinction between certified and non-certified officers. In other words, the law does not prohibit KLETC student /officers from carrying weapons off-duty, away from the KLETC campus after class hours. While the KLETC staff strongly believes that student officers should not carry concealed weapons away from our campus, we cannot prohibit it.

Please indicate below whether your officer has your agency's permission to carry his/her weapon off-duty away from the KLETC campus.

☐ Our officer does not have permission to carry his/her weapon off-duty away from campus *

☐ Our officer has permission to carry his/her weapon off-duty away from campus

* Officers may transport their weapons to and from their respective jurisdictions.
