Course Description :

The Kansas Law Enforcement Training Center (KLETC), in partnership with the Kansas Attorney General and the Kansas State Board of Education, is pleased to announce a course of training titled, *MITIGATING JUVENILE EXPOSURE TO THE CRIMINAL JUSTICE SYSTEM: Training for Senate Bill 367*. This course fulfills the training requirements established in this bill by the 2016 Kansas Legislature for law enforcement officers primarily assigned to a school and school superintendents or their designees.

During this 8-hour training course, attendees will learn about adolescent development; risk and needs assessments; mental health; diversity; youth crisis intervention; substance abuse prevention; trauma-informed responses; and other evidence-based practices in school policing to mitigate student juvenile justice exposure. The requirements set forth in the SB 367 for school police and administrators are part of a larger juvenile justice reform effort by the Kansas Legislature. Officers whose primary assignment is at a school are required to complete the training no later than June 30, 2018.

This course is being offered 11 times through the month of July at various locations across the state. Class time each day is 8 a.m. to 5 p.m. Classes are:
