

Conducting Death and Homicide Investigations

This course is intended for investigators who are newly-assigned to homicide duties, or detectives and uniform personnel planning to enter the field of death investigations.

Students should be forewarned that this course contains numerous death scene photographs that are highly graphic and intense. Due to the sensitive nature of this material it is restricted to law enforcement personnel only.

Sgt. Tony Monheim (Ret.)

Instructor Tony Monheim retired from the Miami-Dade Police Department in 2004, after a distinguished 30-year career. He was assigned to the Homicide Bureau during the final 12 years of his tenure. Prior to that, he spent 16 years in the Robbery Bureau as both an investigator and supervisor. In 2006, Tony returned to the Homicide Bureau as a consultant and is currently assigned to the cold case unit.
