NATIONAL DE-ESCLATION TRAINING CENTER

TESTED AND PROVEN

National De-escalation Training approved training is the most comprehensive, innovative, and evidence-based experiential program available for law enforcement professionals. Based on the DISC personality assessment system – a tested and proven method of identifying predictable actions and personality traits in human behavior – NDTC training teaches officers to identify personality characteristics quickly, to adjust their approach and maximize effective communication and interaction with a subject.

THIS TRAINING IS FREE OF CHARGE TO CERTIFIED LAW ENFORCEMENT OFFICERS!

July 25th and 26th 2022
8 AM MST to 5 PM MST
16 Hour Training

Derick Lutters Training Center
Goodland Police Department
720 Armory Road
Goodland, KS 67735
785-890-4570

THE NDTC MODEL AT A GLANCE

NDTC-trained professionals will learn best practice de-escalation methods and sharpen their abilities to:

- Apply behavior modeling analysis to resolve potential conflicts
- Recognize active or passive threats
- Practice verbal judo and active listening techniques
- Convey respect
- Permit venting

The training is taught by certified instructors from Fort Hays State University

DON'T MISS OUT ON THIS AWESOME TRAINING OPPORTUNITY!!
