An officer involved use of force incident could unjustly affect an agency's creditability with the community. This 20-hour seminar is an advanced training curriculum for front-line supervisors, Internal Affairs, Command Staff, or anyone else that may perform internal reviews of officer-involved force incidents.

This program focuses on the legal, operational, and administrative aspects of conducting an effective investigation.

Training Location: Powell Community Center
6200 Martway Street
Mission, Kansas 66202

Agency liaison: Captain Ron Ruhelessin/Mission Police Dept. (KS)
